The screenshot shows the Airtable web interface. At the top, the browser address bar displays 'airtable.com/tbln...'. The main header includes the Airtable logo, a navigation menu with 'Products Types Table' and 'idiotita', and an 'Actions' dropdown menu. Below the header, a toolbar contains icons for 'Grid view', 'Hide fields', 'Filter', 'Group', 'Sort', 'Color', and a plus sign for more options. The main workspace shows a table with a column named 'Name copy'. A blue rectangular overlay is positioned over the first few rows of the table. A context menu is open for the 'Name copy' column, displaying a search bar 'Find a field type' and a list of field types. The 'Link to another record' option is highlighted with a blue box. To the right of the menu, a dark button labeled 'Link to another record' is visible.

The screenshot shows the Airtable web interface. At the top, there are browser tabs for 'Thunkable', 'Base: Actions - Airtable', and 'Guide to the basic field types'. The address bar shows 'airtable.com'. Below the browser, the Airtable interface has a top bar with 'Products Types Table', 'idiotita', and 'Actions' tabs. The 'Actions' tab is active, showing a dropdown menu with options: 'Grid view', 'Hide fields', 'Filter', 'Group', 'Sort', 'Color', and a plus icon. Below this, a table is visible with columns 'A' and 'Photo Actions'. The table has 8 rows, with the 8th row labeled 'ΕΚΤΑΚΤΗ ΕΝΗΜΕΡΩΣΗ'. A modal window is open over the table, titled 'Name copy', with a search bar 'Find a table to link records from'. The modal lists three tables: 'Products Types Table' (α επιλογή), 'idiotita' (β επιλογή), and 'Actions' (γ επιλογή). At the bottom of the modal, there is a link '+ Create a new table' and a note 'ή και δημιουργία νέου'.

The screenshot displays a web application interface with a table and a modal dialog. The table has columns: 'A Name', 'Actions Name', 'Photo Actions', 'Actions PDFs', and 'Actions PDFs copy'. The modal dialog is titled 'Link to Actions' and contains the following elements:

- A text input field labeled 'Actions Name'.
- A dropdown menu labeled 'Link to Actions'.
- A message: 'This field will link to records in the Actions table.'
- Two radio buttons: 'Allow linking to multiple records' (selected) and 'Limit record selection to a view'.
- 'Cancel' and 'Save' buttons.

Two large blue rectangular boxes are overlaid on the table, one covering the 'A Name' column and the other covering the 'Photo Actions' column.
